POLICIES & LEGAL

I create clever, creative, and quality logos, branding packages, and advertisements for your business. When it comes to logos I offer up to 4 variations that range from paperwork and social media use, color and black white, and digital and print usage. I offer a color palette with all of my services along with a font family so that the brand is complete, even in the Starter-up package. The branding packages are consistent with the brand throughout to create a sense of coherent and an identity of that brand. The advertisements are an excellent ad on to any business. They will help pull the brand together and get your brand out there with a powerful message. And I do all with the speed and quality.
